Bhakuka, Mymensingh.

Education:

- Diploma in Engineering — Computer Science & Technology
Kishoreganj Government Polytechnic Institute, Kishoreganj
2026 | CGPA: 3.00/4.00
- Dakhil
Khagati Jamtoli Fazil Madrasah,
Mymensingh
2022 | GPA: 4.94/5.00

Language:

Bengali: Native

English: Intermediate

Professional Focus:

Web Application Security • VAPT •

Security Research

FIND. UNDERSTAND. SECURE.

About Me:

I'm a curious and self-driven person who enjoys understanding how things work and finding ways to make them better. I believe real growth comes from continuous learning, practical experience, and the courage to explore beyond what I already know. I'm always looking for new challenges that help me learn, create, and grow.

Professional Experience:

Byte Capsule IT

Jr. Penetration Tester | September 2026 – Present

- Perform authorized penetration testing of web applications, networks, and systems.
- Conduct reconnaissance, enumeration, vulnerability assessment, and security testing.
- Use Nmap and Wireshark for network discovery, analysis, and security testing.

Computer Operator / Technical Professional:

7 Years of Professional Experience

- Provided computer operation, technical support, troubleshooting, and system setup.
- Experienced in MS Office, web technologies, graphic design, hardware, and digital devices.
